Sir:

I, Lisa V. Mueller declare:

1. The sequence listing information recorded in the computer readable form filed on July 30, 2003 is identical to the written paper form of the sequence listing filed on the same date and did not contain any new matter.

2. That I believe that all statements made herein of my own knowledge are true and that all statements made on information and belief are true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the patent application in the United States of America or any patent issuing thereon.
